

# Playtime Scheduler

Playtime Scheduler (PTS) allows players to sign up for PTS sessions if they have a PTS profile.

FPC members that wish to play in PTS sessions need to setup their PTS profile in their account with this link: <https://playtimescheduler.com/register.php?reg=client> For help with your set-up, watch this video: <https://www.youtube.com/watch?v=3kSHbSK30m8>

Members with a PTS profile will receive an email to sign up exactly 72 hours prior to most scheduled playtime on eligible PTS sessions. Use the Notifications tab in your account to control which emails you will receive.

A few PTS sessions are Drop-In sessions and **sign-up is not required**. They are called PTS-DI on the FPC calendar and are only in PTS to let you know they exist. Every play session on the FPC calendar is now in PTS.

PTS sessions typically have 6 players per court for regular sessions and drills. If the session is full, add your name to the Wait List.

**Your PTS pickleball rating in your profile is extremely important and must match your skill level.** Use your Pickleball Brackets club rating, a pickleball Rating Guide or contact the FPC Ratings Committee to determine your PTS rating. Your PTS rating can be updated at any time.

PTS sessions are for players that have paid court fees, either yearly, seasonally, monthly or the daily visitor's fee.

Please email [fton.pickleball@gmail.com](mailto:fton.pickleball@gmail.com) if you have any concerns with how PTS is managed. This ensures that the FPC Executive can see and address your concerns.

Please read and follow all the PTS Rules on page 2.

Approved by the FPC Executive on Nov 24, 2024.
