

Irving Nature Park, a 243 hectare (600 acre) site, was created by J.D. Irving Limited to help protect an environmentally significant, endangered area. Today, after an extensive clean-up effort, the land has returned to a natural state, and it is being protected so that it may continue its invaluable environmental role. This special part of the Fundy Coast, minutes from a major urban center, is now a place where the public can enjoy and experience the various ecosystems of Southern New Brunswick's coastline.

14th Annual Brent Kelly Memorial Five-Miler

Run/Walk

April 21st, 2018

Brent Kelly was a young boy who passed away unexpectedly of Giant Cell Myocarditis in 2004 at the age of 12.

As a youngster, Brent loved to hike along the Irving Nature Park with his family and it was always a special place for him. Brent also enjoyed running and competed in cross country and track for his school.

It is a natural fit to hold a Memorial Run for Brent at the Irving Nature Park. All proceeds from the run will be donated to the Brent Kelly Memorial fund which is being used to benefit youth in the Saint John Area.

Special thanks are extended to the Management of the Irving Nature Park for their assistance in staging this event.

The Course: Across the Beach Road, clockwise around the park, then back across the Beach Road to finish. The park will be closed to traffic for this event. Two water stops provided.

Register on-line on Run NB's website or mail completed registrations to:
