Hello fellow Karateka and Instructors and Parents,

Please allow me to invite you to our 14<sup>th</sup> annual karate tournament located in Campbell River BC. In the past we have tried to make the tournament different and challenging and overall fun to keep people enjoying their karate experience. I would also take this opportunity to invite all our referees who want to help and gain more experience in their reffing ability. We can't do this without you. We plan on running three rings and will need referees to accomplish this.

This year we are going to again change the concept of the tournament. We are going to have people compete in divisions based on age, belt level, and EXPERIENCE LEVEL. The idea being that there are people who haven't done competition before even though they have done karate for a while and would like to try it but don't want to go into a division where there are many experienced competitors for their first or second try. I think this may encourage more athletes to attend. We are joining up with the island Golden League series, the first of which is in Victoria on Sep 30<sup>th</sup>. If someone is successful at that tournament they would be moved up in the experience level division and at this tournament would compete against a more experienced group. Keeping it challenging and fun. Please talk to your students about this and encourage them to try if they haven't before, and of course bring the ones who have experience.

In addition to these changes there will be NO LATE REGISTRATION deadline will be Oct 20<sup>th</sup>.
