We are the premier, high performance track and field club serving the North Shore and Sea-to-Sky regions. Our athletes have achieved podium success at the provincial, national and international levels of competition, and have even set world records. Whether you are an aspiring track star, or simply want to run a faster 40-yard dash, our nationally-certified coaches can help you reach your goals. New members of all ages, from 7 to 100, are welcome!

\*We are shifting our membership year to start in September 2019, and as such, we are offering a shortened membership year from January to August 2019 in the interim. Applicable membership fees have been pro-rated for the shortened transitional year.
