

WRESTLING CANADA LUTTE

ANTI-DOPING PROGRAM ATHLETE CONSENT

General:

Wrestling Canada Lutte has adopted the Canadian Anti-Doping Program (CADP) as a way to fully engage in the fight against doping in sport. The CADP is binding upon all members and participants who are engaged in the activities of Wrestling Canada Lutte.

Consent:

I acknowledge and am aware that doping control will be conducted on a random basis at all Wrestling Canada Lutte sanctioned events and that I may be requested to submit to doping control by the Canadian Centre for Ethics in Sport (CCES). Failure to submit to such testing may result in a doping infraction and dismissal from participation at subsequent Wrestling Canada Lutte sanctioned events.

I agree that I am subject to the Canadian Anti-Doping Program (CADP) and accordingly shall be bound by all the anti-doping rules and responsibilities contained in the CADP.

I agree that I have read and understand the anti-doping rules and responsibilities contained in the CADP (<http://cces.ca/sites/default/files/content/docs/pdf/cces-policy-cadp-2015-v2-e.pdf>).

I acknowledge that information, including personal information about me, can be shared between anti-doping organizations for anti-doping purposes and such information will be used only in a fashion that is fully consistent with the limitations and restrictions contained in the World Anti-Doping Agency's International Standard for the Protection of Privacy and Personal Information.

With the understanding that any disclosure is for the sole purpose of assisting the CCES in enforcement of the CADP, I consent to having police and law enforcement agencies, border service agencies, Sport Organizations of which I am a member and sporting clubs and athletic associations to which I belong, in Canada and elsewhere, disclose to the CCES information in their possession relating to me that is directly relevant to potential anti-doping rule violations contained in the CADP that may be asserted against me.
