

National Capital High School Track & Field Classic

Thursday & Friday, May 9th and May 10th, 2019

***** 2 identical competition days *****

Terry Fox Athletic Facility, Mooney's Bay Park, Ottawa

With entries over the past years running up to over 1500 athletes, we created "split meet days" to offer 2 identical days of competition. This allows for 2 outstanding but time manageable competitions for high school teams and athletes in a more controlled environment (11am to 4pm).

The Meet entry limits are set to 750 athletes per meet.

10:00 AM	Registration Opens - Team Packet Pick-Up / Pay Entry Fees
10:30 AM	Coaches Meeting Competition Start
11:00 AM	Track & Field Start Time
4:00 PM	Estimated Finish

Five easy steps to participating in the meet

1. Send us a Request for an Invitation for your school to the meet. (Pick Meet Day 1 or Meet Day 2)
 2. Receive entry information 2 weeks before the meet and start your entries – edit and scratch online as you need to.
 3. Complete your entries before the entry deadline of **Tuesday, May 7 at 11:59 pm** for both meet days.
 4. Email us any overlooked errors before 12 noon, Wed. May 8th to meetentry@ottawalions.com
 5. Come to meet, pay entry fees and participate
-

Step 1: Request an Invitation

Send an email to meetentry@ottawalions.com with a "best guess" of your team size.

The "subject" line in your email should read "School name – Nat Cap HS

Classic". Clearly define which of the 2 meet days your school wishes to compete in. When one day has reached maximum entry capacity, we will refer you to the other meet day. We will send you a

confirmation of acceptance for your team and your team size. Actual team size for the meet may vary by (+/-) 5 athletes with no consequence.

Requests for an Invitation begins February 1st, 2019

Invitations are accepted on a “first come” basis until each meet day is full. Each meet day has a maximum capacity of 750 athletes. If the meet is full, the school will be advised by email that there is space on the other meet day or that it is on a waiting list or is refused entry.

Step 2: Receive your Meet Entry Online Instructions

Schools will receive an email 2 weeks preceding the meet containing online entry information and instructions. If your school was accepted but has not received your entry information by the Friday prior to the meet - please contact us immediately.

Step 3: Enter the Meet online – make edits and scratches. Scratch / Add and edit changes up to the close of entries. NO FAXED ENTRIES - NO TELEPHONE ENTRIES. CALL or EMAIL US IF YOU ARE HAVING CHALLENGES WITH YOUR TEAM ENTRY.
