PROGRAM DETAILS: Our Senior Program is designed for our athletes aged 13 years and older. Athletes at this level may specialize and benefit from the wide variety of trained coaches at the club. All track and field events are included ranging from sprints and hurdles to triple jump and pole vault.

Our Senior Athletes are encouraged to attend out of town meets (See Club Schedule) to compete and they also get automatic entry into our two local meets (Additional fees may apply if entering in 4 or more events). Athletes are encouraged to attend provincial championships. (13-year olds qualify for the BC Junior Development Championship while 14+ qualify for the BC Track and Field Jamboree.) PGTF normally covers travel expenses for volunteer coaches to attend out of town meets to assist athletes. Depending on the event, a nominal fee may be required to assist with travel expenses for these coaches.

Sport Canada has recommended that all youth sports organizations adapt the Long-Term Athlete Development (LTAD) model to the youth programs in their sport. This is something that the PGTF Club fully endorses. We encourage parents to watch and be involved.
