Event Order:

All track events will be run in the order of oldest to youngest. This allows the younger athletes to learn race procedures from the older athletes prior to being marshalled. Girls will go before boys in each age group track event.

- 100m Finals: Heat winners and next fastest times will advance to the final.(9 & 10 year olds will run timed section finals)
- Relays: All relay teams must be made up of athletes from the same school or club. An athlete may compete for an older age class in a relay, but may not compete in more than one relay race of each kind or more than once in the same race. If a school enters a relay team, club athletes will run for their school. Clubs may enter relay teams of athletes whose schools are not entered.
- Event Check-in: Athletes in track events will be marshalled at the west side of the track behind the 100m start when the event is called. Athletes should report to their field event 15 minutes prior to the start.
- Registration: Registration packages, including athletes' numbers, will be available for pick up at the check-in table by coaches at 8:30.a.m. on Saturday. Numbers must be worn for all events. Athletes using another athlete's number will be disqualified from participating in the rest of the meet.
- Event Schedule: Events may run up to 30 minutes ahead of schedule. Any scheduling changes will be announced. All changes to posted results will be made in consultation with the Track or Field Referee and Meet Director.
- Additional Rules:

EACH SCHOOL OR CLUB IS RESPONSIBLE FOR THE SUPERVISION AND CONDUCT OF THEIR ATHLETES. ON YOUR REGISTRATION FORM, PLEASE DESIGNATE THE ADULT OR COACH RESPONSIBLE FOR YOUR TEAM.

- **MARSHALLING:** Only athletes will be allowed in the marshalling areas. After the athlete has entered the marshalling area, parents and coaches are required to leave. Athletes should warm up ahead of marshalling and keep warm clothing on until the start of the event.
- Coaches, athletes and spectators are not allowed on the infield. All coaches and spectators must stay out of the areas designated as competition areas. Coaching must take place from an area designated by the chief official. Athletes who are competing must stay within the competition area with the other competitors.

- IF TWO EVENTS OCCUR AT THE SAME TIME FOR AN ATHLETE the athlete or the parent/coach, should notify the field event organizer and the track event marshall of the situation at the time that each event is marshalled. A short time before the track event is run the athlete must notify the field event officials and go to the race. The parent/coach must realize that COMPETITION WILL NOT BE SUSPENDED UNTIL ATHLETES RETURN (IAAF and JD rules.) The athlete will enter the competition at the point that it has reached when they return. Sometimes athletes may decide to miss one of the events in order to do well in the one of their choice. This situation is a common occurrence at track and field meets.

- FIELD EVENTS: For safety reasons, athletes who cannot jump safely into the pit from a 1m takeoff board when competing in long jump should not be entered in this event. Also for safety reasons shot put contestants must put the shot correctly and not throw it.

Long jump: 3 jumps each
High Jump: 3 attempts at each height. 5 cm increments until two athletes are left, then the athletes can choose.
Shot put: 3 throws each
Javelin: 3 throws each for JD, 6 throws for All Comers

Do Not Cross the Track, Discus, High Jump or Shot Put Area Except Under the Direction of an Official.

This Meet will be run in accordance with IAAF and BC Junior Development rules. Failure to comply with meet rules may result in the disqualification of an athlete, team or coach from the competition.
