Results

- Full meet results will be posted on the BC Athletics website and Ocean Athletics website after the meet. To support our efforts to make this event as 'Green' as possible, paper results will not be posted with the exception of events going to a final. The live results link will be made available Friday, July 19, (note: live results does not mean instant results!! Results still need to be processed before they can be made available). If there is a difficult with the live link, then paper results will be posted.

Meet Rules

- IAAF Rules with BC Athletics Junior Development variations.

Competition Areas

- The infield is out of bounds to all athletes who are not currently competing in a discus/hammer/javelin event.
- Only officials and competing athletes are allowed in the competition area. A coaching box will be provided at each of the field event areas. Only one designated coach per club will be allowed in this area. The coaching box is not available to parents.
- The high jump apron is out of bounds to all but the athletes competing and the officials. As per IAAF rules, athletes will be allowed to go to the coaches at the outside of lane 8.
- Coaches, Parents and other supporters are to remain off the track during an event. Standing and cheering on the track while the athletes are competing is not allowed.
- Coaches, Parents and other supporters may not give individual split times to athletes in distance events. If you wish to volunteer to give split times for all of the athletes, please see the BC Athletics official in charge.
- Coaches, Parents and Athletes are not to approach the Timing Tent with individual questions. If a coach/parent has a concern they must put the question in writing and submit to the volunteer at the Registration Table. The request will be dealt with in a timely manner.

Athlete Uniform

- Club athletes are to compete in their club uniform.
- Unattached athletes are to compete in appropriate athletic wear.
- Competition numbers are worn on the front for all events (with the exception of PV athletes who may chose to wear their number on their back). Athletes are issued one number for the entire competition. Lost or forgotten bib numbers can be replaced at the registration desk for a \$5 fee. Please do not crinkle competition numbers!! The ink will deteriorate around the creases making it difficult for the camera to pick up the image. Crinkling of bib numbers occurred in the old days when bib numbers were made of thick cardboard. Today's bib numbers are of a high quality flexible material and provide the athlete with a souvenir of the event.

Equipment

- All equipment, with the exception of Pole Vault poles, will be supplied by Ocean Athletics. Personal implements may not be used. Personal implements may be used for warmup but are to be removed from the competition area before the competition begins.
- Starting blocks are not used for any track events.
- Breakaway hurdles will be used for all hurdle events. NOTE: hurdles are placed so that the short feet are facing down the track. The placement of the cross board is not indicative of how the hurdle should be placed on the track.
- Please do not remove hurdles from their designated spots on the track. Warmup hurdles will be available for use by all athletes. If you are bringing personal hurdles for warmup use, please ensure that your name or your club name is readily visible.

Marshalling

- All field events will marshal at the field event venue
 - NOTE: The start time listed for the event is the start time for the event. Athletes must organize themselves to ensure they have sufficient time to set down marks and have a few practice throws or jumps prior to the start of the event. Athletes arriving late will not be allowed to delay the competition to set marks or have practice throws/jumps. Schedule may be adjusted once competition participant numbers are finalized. Please check the schedule once the entry deadline has passed.
- All track event athletes must check in at the Call Room tent, located in the grassy area behind the 110m start line 15 minutes before the designated start time of the event. Once checked in, athletes will be allowed to finish their warmup in a designated area. Athletes will be escorted from the Call Room tent to the start line of the track race.

Conflicting Events

- In the event of field and track conflicts, it is the athlete's responsibility to check in for both events – track events at the Call Room Tent, field events at the field event venue, to inform officials that they are in two events simultaneously. It is the responsibility of the athlete to ensure they are at each event in time to compete. Parents/Coaches may not check in for an athlete.
- In order to give field event athletes the best opportunity to complete their event before proceeding to a track event, Volunteers will be assigned to take field event athletes to their track event. There is no need for field event athletes to go to the track event too early. Athletes cannot 'catch up' on missed rounds of jumps/throws, nor move into different races and compete with other age groups to facilitate conflicts.
 - Athletes returning to a High Jump or Pole Vault events must jump at the current height of the bar.
 - Athletes returning to Throws, Long Jump or Triple Jump may make an attempt in the current round even if they have missed their particular placement, as long as the round has not been completed.

Track Events

Scheduling of Track Events

- All track events will be run oldest to youngest with Females going first in each group, with the **exception** of the hurdle events (2006 Male/Female, 2007 Male/Female, 2008 Male/Female, 2009 Male/Female, 2010 Male/Female)
 - Note: breakaway hurdles are designed to be placed with the shorter feet up-track from the athlete. The shorter lever allows the hurdle to fall more easily if they are knocked down. The placement of the cross board does not determine how the hurdles are placed.

Vertical Jumps

- 3 consecutive failed attempts eliminates an athlete from the competition.
- Starting heights for Pole Vault will be determined by the BC Athletics Pole Vault official once athletes have checked in to the event.
- The bar is to be raised by 5cm in High Jump, and 10cm in Pole Vault each time until one competitor remains in the competition. Once the one competitor remains, the incremental increase in bar height will be determined in consultation with the BC Athletics official.
- Ties are broken by comparing the number of misses at the last successful height. If a tie remains, then there is a comparison of total misses. Any ties for first place that still exist will remain a tie. If the first two athletes are tied, the place judging then becomes 1, 1, 3 .

Volunteer Sign Up

Ocean Athletics does not demand volunteer power from participating clubs and families of unattached athletes. We would prefer that you have the time to ensure that all of your athletes arrive to events on time, you have time to celebrate your athletes' achievements, and that you keep athletes, coaches and parents out of the competition areas.
