## U10 & U12 WEIGH IN

**U10 & U12 are not weighed in; BUT the submitted weight on Trackie is required to be checked by the club Sensei. It is the Sensei's responsibility to ensure athletes' weights are properly submitted and if not, notify the Tournament Registrar of the correct weight before March 21, 2020.**

U10/U12 Competitors (or their designate) must confirm their attendance by 7 PM on Friday, March 27, 2020

Athletes will be grouped by their submitted ages and weights. Submission of incorrect or guessed weights could eliminate judoka from participating.

## Grand Championships

This event is held only at the Provincial Championships. For men, the Grand Championship is for Ikkyu and Yudansha only. For women, the Grand Championship is for ranks of gokyu and up. Each contestant in the Grand Championship must be 18 years of age or older. If the winner of a weight division is under the age of 18 years, there will be no contestant in that weight division.

Some concern has been expressed over the safety factor in having individuals competing against each other whose weights vary widely. The Technical Committee is also aware that for at least 85 years of its 130-year history, judo was without weight divisions. To preserve the traditions and to consider the safety of the contestants, the Committee has adopted a procedure whereby men in the -60, -66 and -73 weights compete as a group; the -81, -90, -100 and +100 men compete as a group. Then, the two group winners compete for the title of "Grand Champion". The matches are to be straight elimination.

Where a female Grand Championship is to be held, the winners of the -48, -52 and -57 kg categories will fight as a group; the winners of the -63, -70, -78, and +78 kg categories will fight as a group. The two group winners will then fight for the title of "Grand Champion". The matches are to be straight elimination.
