## WELCOME MESSAGES

### Steveston Judo Club Message

Welcome all judoka, officials, coaches and spectators to the 2020 Pacific International Judo Tournament.

We hope the competition goes well and everyone enjoys their time in Richmond, BC. The Steveston Judo Club organizes this tournament with the hope that judoka in BC and Canada can train to compete at a high level and to raise the profile of Judo in BC and across Canada. We are excited to have over 600 entries from across Canada and the United States.

This tournament is made possible by all the hard work of the volunteers at the club over many years. We could not do this without them! Our tournament committee has worked very hard for many months to make this tournament a success. We thank the officials and referee who come to make the competition possible.

We acknowledge the support of Mayor Brodie and the City of Richmond without which we could not hold the tournament at the beautiful Olympic Oval. By helping us with grants and providing staff to transport mats and other necessary equipment, the City has made it possible for us to use this venue. The Olympic Oval staff has also been very cooperative in setting up all the equipment and stands. Please make time to visit the Richmond Olympic Experience (ROX) Exhibit here at the Oval.

We are grateful for the support of Judo BC lead by Katie Thomson and Jeremy Le Bris who works tirelessly with us to make this event a success. And, I'd like to thank all our sponsors and BC Judo Clubs who have made donations in cash and in goods to help us with the costs of running this tournament at the Oval.

In the spirit of Judo, this event is truly a cooperative team effort. We hope everyone has a good experience this week at the tournament and training camp!

Yours truly,  
Alan Sakai  
on behalf of the Steveston Judo Club

### Judo BC's President's Message

On behalf of Judo BC, I am pleased to welcome all of the judokas, coaches, officials, dignitaries, friends, family and spectators to the 35th Annual Pacific International Judo Tournament. This two-day event is the premier judo event on the West Coast and is a Canadian National Team selection event. This year we are excited to have over 600 entries including top athletes from all across Canada and the Pacific Northwest.

The Pacific International is one of the highlights of the Judo BC and the Judo Canada competition season and we pleased once again to partner with the Steveston Judo Club in hosting this event at the iconic Olympic Oval in Richmond. To all the competitors and officials, good luck and may it be a great experience!

Sincerely,  
Donna Hanson  
President – Judo BC

## JUDO KEY FACTS

The sport was created in 1882 by Jigoro Kano as a physical, mental, and moral pedagogy in Japan. Central to Kano's vision for judo were the principles of maximum efficiency, minimum effort and mutual welfare and benefit.

Scoring and rules: Judo competitors win if an 'Ippon' is scored through throwing an opponent on their back forcefully or pinning them to the mat or otherwise subduing them.

Technique: Judo is squarely a combat sport, with a mixture of quick thinking and power essential for top competitors. While throwing an opponent to the mat is a prized maneuver, there are also 32 different recognized grappling techniques that can be used while not in a standing position.

If no 'Ippon' is scored, the competitor who claims the most points during the four-minute match wins.

Judo is one of 33 sports in the 2020 Tokyo Olympics. It's olympic debut, for males, was at the 1964 Tokyo Games and for females at the 1992 at the Barcelona Games. In 1988 Visually Impaired (VI) judo was added to the Paralympics

According to the International Judo Federation, 20 million people practice judo around the globe.

There is no kicking or punching in judo.

Many Special Forces, Military and Police Forces around the world include judo, along with other martial arts in their training to keep them safe.

"Congratulations to all the competitors at the 2020 Pacific International Tournament."

# 50TH ANNIVERSARY

2021 Marks the 50th Year of the  
Steveston Martial Arts Centre

## **AN ICONIC CULTURAL DESTINATION**

Located in the heart of Steveston, the Martial Arts Centre is rich in heritage as a culturally significant site for the Japanese Canadian community. Built in 1971, with an official opening ceremony in 1972, it is unique as the only dojo house outside of Japan. Today, the sports of judo, kendo and karate are practiced in the martial arts halls. Remaining faithful to the original values upon which this historical centre was crafted, these active clubs foster the spirit and long tradition of martial arts.
