Facility:

The Ray Lewis Track & Field Complex at Mohawk Sports Park is a Beynon BSS 1000 High-Performance Track Surface, with UCS landing pits, four sand pits for horizontal jumps, two shot put circles, javelin runway, discus/hammer cage, and FinishLynx Timing System.

COVID Notes:

- All participants (athletes, coaches, officials, volunteers, and spectators) will be required to complete a COVID pre-screening attestation prior to entering the facility. If you are experiencing any symptom of COVID-19 or have had close contact with anyone with COVID-19 or have been out of the country within the last 14 days, you MAY NOT participate or enter the facility.
- **Coaches are required to register in advance at TrackieReg.com/GHSeriesCoaches**
- Only registered coaches will be permitted access to the facility. Spectators must remain outside of the fenced area.
- Physical distancing must be maintained at all times. All participants are encouraged to wear a mask when physical distancing is not possible. (*Athletes do not wear a mask when warming up or competing*).
- **All Return to Competition guidelines and local/ provincial public health protocols will be followed with respect to health, safety, and sanitation.** A Health & Safety officer will be appointed to ensure compliance.
- Athletes are required to bring their own implements and implements are not to be shared. Any request to use a club implement must be made well in advance and is not guaranteed. If any implement is used by more than one athlete it is to be properly sanitized between uses.
- Athletes are required to retrieve their own implements.
- Athletes in long jump and triple jump must wash their hands in between jumps or after making contact with the sand. There will be sanitizer available at the site of competition but you are encouraged to bring your own.
- For high jump and pole vault, the landing surface/ tarp will be sprayed down with disinfectant and wiped after each athlete makes contact. Should any competitor wish to bring their own personal tarp or covering they may also do so.
- Sprint events will be run with a blank lane between competitors and blocks will be sanitized between use.
- Distance events starts may be adapted to promote further separation between the competitors on the start line while still maintaining the integrity of a highly-competitive race.
