

Track and Field Meet Saturday, June 12, 2020

Presented by
University of Windsor Track & Field Alumni Association

University of Windsor Stadium

Facility

Eight lane track and jump approaches plus javelin runway are all Mondo Super X, concrete throwing circles.

All track events will be FAT (Finish Lynx) and will be run with assisting winds.

Directions

University of Windsor Stadium is located at the corner of Huron Church Rd. and College Ave. (2555 College Ave. for your GPS)
Take the 401 West to Huron Church and Huron Church to Ambassador Bridge – Stadium is on the right before entering the Ambassador Bridge.

Entry Fee

\$ 25 per event

All athletes must be registered with their provincial track and field association.

Athletes are responsible for all entries submitted. The entry fee is payable online only.

Entries

All entries are by invitation only and processed online using Trackie.

Invited athletes will be provided with link to process their registration.

All entries will be confirmed by meet personnel before finalized.

Entry Deadline

Entries must be processed online by Wednesday June 9th by 11:59 p.m.

Covid Mitigation

1. All meet personnel (athletes, coaches, officials, volunteers, etc) are required to complete a self assessment. This will be tracked electronically and confirmed at stadium entrance.
2. Event staff and officials will be required to wear face masks during the event. Athletes will be asked to wear face masks when in the competition facility and may only take them off for the race or during an attempt in the field events. All coaches, and personnel not competing will be **REQUIRED** to wear masks while in the facility. No exceptions.
3. Sanitation stations will set up at the entrance, in warm-up areas and at event sites.
4. Social distancing of 2m is expected at all times in the facility.
5. Event field size will be limited to 8. Only one event on the track at a time. This will require a more spaced out event schedule and for athletes and coaches to attend for their event only.
6. Entry into and throughout the stadium will be controlled by assigned times as indicated on the Comprehensive Event Schedule.
7. The facility will be divided into two zones, one for track (Zone 1) and one for field events (Zone 2). These two zones will be further subdivided. Zone 1 will have an area on the turf for warm up and a separate area on the turf for warm down. All athletes will be given sufficient time on the track for specific warm up prior to competition.
8. Each Zone will have it's own entry. The Zone 1 (track) entrance will be via the main gates to the stadium on College Ave. Zone 2 (field) event entry will be via gate located next to the javelin runway.

Prize Money

The top finisher in 10 designated events (TBD) will be awarded \$700 in prize money. The next 10 best performances, across all events, as ranked using the World Athletics scoring tables will be awarded \$300 each.

Coaching

Coaches will be allowed into the stadium following all COVID-19 protocols when their athletes are permitted to enter. Coaches are to exit the facility when their athletes are exiting. Track coaches will be allowed into the stadium seating area only. Field event coaches will be provided with a designated area at each event site. Only the coach who is registered with Athletics Ontario for the athlete competing will be able to gain admittance.

Technical Meeting

A technical meeting over Zoom will be conducted on Friday evening, details and link to be circulated to all registered participants.

Call Room

All track athletes will be processed through a call room table at the north end of Zone 1a prior to moving onto the track.

Warm Up

The facility will not be available on Friday June 11th for any pre-comp warm up. Additionally, if an athlete requires warm up time in addition to the time allowed in the stadium on competition day, they are encouraged to source the space they require at one of the many parks in the city. Athletes will not be allowed into the stadium earlier than indicated on the Comprehensive Schedule.

Doping Control

As this is a NACAC Area Permit competition, athletes should expect for CCES to be on site for testing.

Spike Length

Facility spike length maximum is 7mm (9mm for javelin) of the 'cone' type.

Parking

Track athletes should park in the stadium parking lot located at the corner of Huron Church Rd. & College Ave. Field event athletes should park in Assumption Catholic High School parking lot (1100 Huron Church Rd.). Parking in both lots is free.

Admission

Spectators will not be allowed in the stadium.
