	Senior Boys	200m					
	Intermediate Girls	200m					
	Intermediate Boys	200m					

- Above events may run 30 mins ahead or 30 mins behind schedule
- Rolling schedule

COVID-19 Details:

- All attendees (i.e. athletes, coaches, volunteers, officials, spectators) entering the track will be required to complete a City of Brampton Health Screening Questionnaire. To expedite the process please have each attendee download the form via Trackie (or see attached) and complete prior to arrival. Forms are to be handed in at Registration by each individual.
- All attendees (i.e. athletes (except when warming-up & competing), coaches, spectators, officials and volunteers) are to be masked at all times to protect all members of the community especially unvaccinated individuals and our athletes ages 5-11 who are unable to be vaccinated.
- Maintain a 3m/10 feet physical distance at all times.

Meet Details:

- The meet will now start at **9:00am for ALL age categories** (PW, MT, TY, AT, SR. IT). There will be no cohorts.
- All track events will be **timed finals only**.
- Once athletes are finished competing based on the event schedule, they along with their spectator(s) are asked to leave the track/field to minimize the number of people in the venue. Please no hanging around unless you have another athlete/child competing.
- Coaches who will be attending with their clubs are required to register on Trackie. If a coach has not registered at (<https://trackiereg.com/mta-prep-meet-1/coach>) they will not be provided with a wristband and will not be granted access to the track.
- Only registered athletes and coaches will be provided with a wristband to be granted entry to the track.
- Due to the number of athletes, spectators will now be limited and will be based on the number of participating athletes per Club. Attached is the list of spectators allowed per Club. It is up to the Club to determine which spectators will attend from their respective Clubs. Meet registration packages will contain the correct number of spectator wristbands and will need to be distributed by the respective coaches. Spectators are also required to complete the City of Brampton Health Screening Questionnaire (see attached). Entry to the track will not be allowed without a wristband or completed form.
- In the throwing and jumping events athletes will have three (3) attempts subsequent to which the top eight (8) ranked athletes will have two (2) additional attempts.
- If a field event starts before a track event, athletes who are competing in both events at coinciding times must inform one of the field officials prior to reporting to their track event. In the case of younger athletes (e.g., Peewees and Mites), a club coach bears the responsibility to do so.
- MTA will provide throwing implements (which will be sanitized after each use), **however**, it is highly recommend that athletes bring their own certifiable throwing implements and use them exclusively during the competition. Personal implements will need to be brought to the Throws Official 30 mins before prior to the start of event for validation. Athletes will also be required to retrieve their own implements during the competition.
- Shot Put rules will be modified for Pee Wees.
- Club tents will be permitted in the venue on the grassy area. Club tents are not allowed in the bleachers. Bleachers are for spectators only. All club athletes/coaches should remain in their tents unless competing or warming up.
- There will be no food or drinks for sale. Please plan accordingly.
