	Senior	200m						
	Intermediate	200m						

- All track events will be timed finals.
- This is a tentative schedule. The final schedule will be issued after the deadline.
- This is a running schedule and may be advanced or delayed as required.

### COVID-19 Details

- All attendees (i.e. athletes, coaches, volunteers, officials, spectators) entering the track will be required to complete a City of Brampton Health Screening Questionnaire. To expedite the process please have each attendee download the form via Trackie (or see attached) and complete prior to arrival. Forms are to be handed in at Registration by each individual.
- All attendees (i.e. athletes (except when warming-up & competing), coaches, spectators, officials and volunteers) are to be masked at all times to protect all members of the community especially unvaccinated individuals and our athletes ages 5-11 who are unable to be vaccinated.
- Maintain a 3m/10 feet physical distance at all times.
- Due to the number of athletes, spectators will be limited and will be based on the number of participating athletes per Club. A list of spectators allowed per Club will be provided via email after the deadline. It is up to the Club to determine which spectators will attend from their respective Clubs. Meet registration packages will contain the correct number of spectator wristbands and will need to be distributed by the respective coaches. Spectators are also required to complete the City of Brampton Health Screening Questionnaire (see attached). Entry to the track will not be allowed without a wristband or completed form. All spectators are to remain in the bleacher area. **THEY ARE NOT ALLOWED ON THE TRACK OR INFIELD.**

August 11, 2021

## **Meet Details**

- To avoid any un-necessary waiting times, coaches are requested to meet their athletes and spectators outside of Registration Area to ensure they receive their entry wristbands. No coach or athlete will be admitted without a wristband.
- All track events will be **timed finals only**.
- Once athletes are finished competing based on the event schedule, they along with their spectator(s) are asked to leave the track/field to minimize the number of people in the venue. Please no hanging around unless you have another athlete/child competing.
- Coaches who will be attending with their clubs are required to register on Trackie. If a coach has not registered at (<https://trackiereg.com/mta-prep-meet-3/coach>) they will not be provided with a wristband and will not be granted access to the track.
- Only registered athletes and coaches will be provided with a wristband to be granted entry to the track.
- In the throwing and jumping events athletes will have three (3) attempts subsequent to which the top eight (8) ranked athletes will have two (2) additional attempts.
- If a field event starts before a track event, athletes who are competing in both events at coinciding times must inform one of the field officials prior to reporting to their track event. In the case of younger athletes (e.g., Peewees and Mites), a club coach bears the responsibility to do so.
- MTA will provide throwing implements (which will be sanitized after each use), **however**, it is highly recommend that athletes bring their own certifiable throwing implements and use them exclusively during the competition. Personal implements will need to be brought to the Throws Official 30 mins before prior to the start of event for validation. Athletes will also be required to retrieve their own implements during the competition.
- Shot Put rules will be modified for Pee Wees.
- Club tents will be permitted in the venue on the grassy area. Club tents are not allowed in the bleachers. Bleachers are for spectators only. All club athletes/coaches should remain in their tents unless competing or warming up.
- There will be no food or drinks for sale. Please plan accordingly.

**COACHES PLEASE ENSURE THAT YOU SHARE THESE DETAILS WITH YOUR ATHLETES AND SPECTATORS**
