

Sandy's Shopping Secrets

Hi All,

I am new to the Delta Pickleball board as of November 2020. I thought it would be fun and informative to put out a shopping guide for those that are new to Pickleball and/or just love shopping. Since there isn't much else going on these days, why not shop either in person locally or online with Canadian retailers. I look forward to hearing your feedback (positive only, lol). If any of you have any additional experiences you would like to share please email me. These are my opinions only and not that of Delta Pickleball Assoc.

Local Independent Retailers:

[The Run Inn, Tsawwassen](#) - Great for in-person shopping if you need help finding the right fit. Good for racquets, shoes and clothes. They offer a 10% discount for Delta Pickleball members.

[Racquets and Runners](#) - Located in Vancouver at Oak and 24th, but also good for getting help with finding the right fit. Good for buying racquets and shoes. They offer a 10% discount as well.

artofwhere.com/artists/4theloveofpickleball - One of our own members from Ladner has created, makes, and is selling this beautiful line of handcrafted Pickleball specific designed clothing. Let's support local artists and our club members.

Local Discount Chain Retailers:

All located at the Tsawwassen Mills

[Winners](#) - Good for finding shorts, leggings, shirts and hats

[Marshalls](#) - Same as above

[Nike](#) - shoes and clothes

[Adidas](#) - shoes and clothes

[SportChek](#) - clothes, shoes, hats and paddles

Online Canadian Retailers:

pickleballguys.ca - Great for shoes, clothes and racquets. They offer a discount for members. I have bought several items from them and it only took 1 week to get it. I have also heard returns are easy as well.

For all your pickleball needs

pickleballsuperstore.ca - great for shoes, racquets, balls, nets, and accessories.

tenniszon.com - Shoes, clothes and racquets. Free shipping over \$25. Will also buy used racquets.

tennisgiant.com - shoes, clothes and racquets.

merchantoftennis.com - shoes, clothes and racquets. Free shipping over \$49.00. I have heard good things about this company as well.

poshmark.ca - This is a resale site. New with tags and used clothes. I have bought several Lululemon items, Skorts, leggings and shirts. You can make offers on this site as well. Shipping is \$12.00 and it takes about 2 weeks to get it. It's great because the site won't release your payment to the vendor until you get the item and approve of it.

amazon.ca and eBay.ca - make sure you put .ca not .com as you want to buy from Canada to avoid big shipping charges and duties.
