PERFORMANCE TESTING

PRESENTED BY **ELITE** **athletics**  
POWERED BY **ARC** **alberta**

## WHEN

JANUARY 15 & 16

How do you stack up against athletes your age & Edmonton's Elite's?

Test your athletic ability in the Vertical Jump, Broad Jump, 20m Sprint, and Shuttle run to expose your true athletic potential.

Who knows, you may discover you have high ability in sprinting, jumping, interval endurance, or explosive power? Perhaps you are the next Kelsey Mitchell or Jerome Blake who had their talents discovered through Talent ID programs?

You will be provided with your results, as well as coaching on site, and connections to sport bodies within the city.
