Greetings! Spring is looming and outdoor Pickleball is on the horizon!

The MHPC Board of Directors is very excited about the 2022 Pickleball Season. Years of hard work from many along with the undying support from our dedicated members will finally see the MHPC relocating to their new home. It will be a dream come true for Medicine Hat and area pickleball enthusiasts.

As a present or past member of the MHPC we would like to welcome you back and ensure that you are up to date and informed regarding all the excitement associated with the 2022 Pickleball Season. Here are some notable points to date:

Your 2022 Membership will be valid from January 1, 2022 to December 31, 2022. As this is an outdoor facility, the start of the season is dependant on weather conditions and the new facility being officially handed over to the MHPC from the City of Medicine Hat. Until then, we have provided the code for the shed, down at the Strathcona Courts, to the 2022 members so that they can start playing as soon as weather permits. Members will be updated regarding the move to our new facility as information becomes available.

A MHPC membership will be completely separate and independent of any memberships associated with the City's "Big Marble Go Center" (formerly known as the FLC).

Annual MHPC Memberships for 2022 Outdoor Season is as follows:

Adult (age 18 – 100) \$80*

Junior (age 6 – 17) \$40*

*plus processing fee & GST

"Drop-In" fees will be available to NON-MEMBERS and play availability will be based on the facilities operating hours. The Adult "drop in" fee will be \$10/per time and the Junior fee will be \$5/per time. Junior members or players, age 6 – 12 must be accompanied by an adult unless programming indicates otherwise.
