

Let's Play Pickleball

Overview:

Let's Play Pickleball Clinic

This program is designed to introduce the game of pickleball to new players or beginners that want to learn the game of pickleball or just improve their skills.

Prerequisite: Must be a new or active member of Red Deer Pickleball Club. Eye protection is recommended.

Cost: This is **free** with your Red Deer Pickleball Club membership

How to sign up: Register via our PCNS Website

Date and Time:

This 2-hour clinic will be offered on Mondays, pending member sign up, a minimum of four participants are needed but ideally eight would be preferred.

The instructors (Joe and Carol) follow the NCCP program -Learning to Play (for more information on our coaching team [click here](#)).

Please note: The continuation of this program is the **Ambassador Program**. The purpose of Ambassador Program is to support new players to learn how to play the game, improve their skills, and have fun. Using gentle correction and encouragement players will shown how to execute proper ready position, dink shots, serves, scoring. Provide guidance on Pickleball rules and etiquette. The focus will be on the basics of the game.
