

IB/AP Exam Conflicts - Track and Field 2022

IB/AP exams take place at times dictated by outside bodies. Where they are required components for PSP graduation, in 2022 we will aim to accommodate student-athletes who have exam conflicts with specific individual events at district track and field meet. No accommodations are made for relay teams containing the student-athlete (put in a replacement) and no accommodations need to be made for Para athletes as they advance directly to provincials with no qualification necessary.

School representatives will complete the form below to provide the necessary information for district and regional meet directors/entry and results managers. With IB and AP exams both ending Friday May 20th, 2022 we should only have potential conflicts at some district meets. The potential conflicts occur in different districts on May 13, 16, 17, 18, 19, 20. if the athlete has a genuine conflict for 2022, *we will auto advanced the athlete to your regional event in the event(s) in conflict*

Please see your district schedule to determine if the student-athlete does indeed have a conflict. Complete one form per athlete and submit to your Regional SSNS director by 5pm May 12th.

School			
Athlete Last Name			Athlete First Name
Athlete Class	<i>Junior Girls</i> <i>Junior Boys</i>	<i>Intermediate Girls</i> <i>Intermediate Boys</i>	<i>Senior Girls</i> <i>Senior Boys</i>

Event(s) in Conflict	100m 200m 400m Hurdles	800m 1500m 3000m	High Jump Long Jump Triple Jump	Shot Put Javelin Discus
----------------------	---------------------------------	------------------------	---------------------------------------	-------------------------------
