Hello MHPC members:

Important Club Information:

The Medicine Hat Pickleball Club (MHPC) uses a **FREE app called SignUp Genius (SUG)** for many of their club programming and social activities. If you haven't set up your own SUG account, please see the information below to set up your account. Once you have a SUG account you will be able to check it anytime to see what programming is available and to sign yourself up to participate. Download the app to your cell phone or your computer. Be sure to bookmark and remember your login information (password).

Another important app that will be very helpful for all members is the HOLD MY COURT app. Again, members are encouraged to create their own account to stay "in the know" regarding club programming and activities.
