Hold My Court App (HMC)

As a MHPC member you are eligible to register for a "free app" called "**Hold My Court**".

Click the link above. On the top left side, you will see "register". Click. Select "NEW REGISTRATION". Set up your name, email and phone number. You will use your email address as your "user name" and select your own password. Please bookmark, record and remember this information.

Access to this site will allow members to view the **MHPC Programming Schedule** as well as the ongoing ability to book courts in the OPEN time slots on a weekly basis.

Members are ONLY eligible to book up to ONE - 2 hour time slot per day. To ensure enough courts for your group, please have participating members book courts under their name. It is recommended that each member have their OWN email address to efficiently and effectively use this app as well as the SignUP Genius app. **Reminder to RELEASE unneeded courts and to REMOVE your name from all SUG dates, should you be unable to attend.**

SignUp Genius (SUG)

As a MHPC member you are eligible & encouraged to register for a "free app" called "**SignUp Genius**". Click the link above.

It is recommended that each member have their OWN email address to effectively use this app and to ensure you receive the applicable MHPC invites which may require members to pre-register.

This app will allow you to register for the many club activities including "Skills & Drills."

Read the information for each invite carefully. Space per SUG may be limited.

It is your responsibility to act quickly to ensure a spot in said SUG. Please remove your name promptly, if you have signed up and can no longer attend. Monitor SUG for cancellations and use the "waitlist" option, when offered.

The Hold My Court App (HMC) provides the club's weekly programming information and access to some of these programs or events may indicate that (SUG) is required.

Both the SUG app and the HMC app are valuable tools to ensuring you are able to maximize the many MHPC benefits available to you as a member.
