Late arrivals

If a player arrives late, they must allow the existing game to finish. The players will then change the schedule to the next sheet. The late player must take a bye for the first game, even though they may not be scheduled for a bye. We encourage members to arrive 10 minutes early to warm up, and stay until the end, unless there are byes to take their place if they leave.

No Shows

Per Season:

First no-show an email will be sent advising player to be more vigilant.

2nd no-show a warning of a suspension will be sent

3rd no-show a 2 week suspension from playing will be applied.

4th no-show a 1 month suspension will be applied.

5th no-show a permanent suspension will be applied
