WHY THE OTTAWA LIONS SUMMER CAMPS?

CANADA'S NUMBER ONE TRACK AND FIELD DEVELOPMENT PROGRAM

Canada's Number One Track and Field Club is your one stop destination for summer fun! We are offering half day and full day programs designed for young athletes aged (7-11 & 12-14 years). Campers will receive an introduction to Track and Field second to none. The program targets the physical "hurdles" our youth may approach by applying progressive motor skill development, physical strength training, and cardiovascular conditioning. Children come away from our program with a higher level of self-confidence, knowledge about the sport of athletics, and a skill set that will not only support them in the events of Track and Field but the fundamentals for ALL other Sports.

INCREDIBLE STAFF

All athletes involved in an Ottawa Lions program receive coaching from some of Canada's most decorated and experienced coaches. Our camps are led by highly energetic and passionate Provincial and National caliber athletes who not only have experience in the sport but also received technical training and programming. A maximum coach to camper ratio will be 1:10.

OUTSTANDING FACILITIES

Situated in picturesque Mooney's Bay, the Ottawa Lions call the Terry Fox Athletic Facility home. With a 400m Mondo running track that frequently plays host to Provincial, National, and International Championship events, you will also find 3 natural grass sports fields suitable for soccer, rugby, lacrosse, ultimate, and cross country running. The surrounding park includes additional sporting facilities, beach, and Canada's Largest Playground.

CAMP DAYS ARE THE BEST DAYS

DROP OFF & PICK UP

We will be offering an early Drop-off period beginning at 8:00am-8:45am.

A camp day will officially begin at 9:00am and end at Noon (for ½ day campers, 4:00pm for full day campers).

We ask that parents do their very best to be at the Terry Fox Athletic Facility for the specific pick-up periods (4:00pm-4:20pm) allowing staff to prep for their next session or other programs taking place at the venue and avoid additional fees.

Frequent late pick-ups will be faced with charges of \$20.00/30min.

CAMP SESSIONS

Morning sessions will focus purely on Track and Field each day, following a similar fashion to our popular Run Jump Throw/Foundation programs. Afternoon sessions won't stray far from athletics; however, it will trend towards a multi-sport camp. The aim of RJT is to develop "all-around" athleticism and fitness. Events will target an individual's speed, agility, strength, endurance, and coordination. This prepares young athletes for better sport performance. It is a primary step in physical literacy and will give campers the confidence to challenge themselves in all athletic events.
