(April 22-23, World Athletics Sanctioned event)

Location

Bob Dailey Stadium
4480 Vimy Street
Port Alberni, BC

Registration

Entry Deadline - 12:00 midnight, Thursday, April 20 2023

Registration Website - www.trackiereg.com/2023BobDaileyMeet

Meet Fees

\$30 (Note - Athletes who don't have a BC Athletics membership will be required to pay an additional \$3 Day-Of-Event membership. This includes high school athletes whose school or school district don't have a BC Athletics membership.)

Club Packages/Payment

Club packages will be available for pick-up at the Registration Table; starting at 9:00am Saturday and 8:00am Sunday.

Any outstanding payments due at time of package pickup.

Bib Numbers

Numbered bibs will be assigned to all athletes and must be worn for all events.

Numbers to be worn on front for all Track events. Front or back for Field events.

Awards

Ribbons for places 1-thru-8 for athletes up to U14. Ribbons for places 1-thru-3 for ages 14+.

Categories

This event is open to all ages. We will also be able to support Para wheelchair athletes for track events.

Start Times

Saturday, April 23 - 10:00am (Coaches meeting at 9:30am at finish line tent)

Sunday, April 24 - 9:00am (Coaches meeting at 8:30am at finish line tent)

Event Information

Track Events - All events on the track will run oldest-to-youngest with women/girls sections running first for each age group...except for Hurdles/Steeplechase which will run in order of the longest-to-shortest distances and the highest-to-lowest settings at each distance.

Please be ready to Check-In for track events 30-min prior to the scheduled start time. Marshalling will take place at starting location.

Field Events - JD athletes (up to U14 age group) will get 3 attempts. For athletes aged 14+, the Top 8 athletes after round-3 will get an additional 3 attempts.

CONFLICTS BETWEEN TRACK EVENTS AND FIELD EVENTS - Make sure athletes are checked in to both events and that they return to Field events as quickly as possible after a Track event. Field events will not be delayed if an athlete is at a track event so if they miss a round they will not be able to make up that attempt.

Blocks

Starting blocks will be supplied. They are required to be used by all athletes aged U16 and above in Sprint and Hurdle events.

Timing

Electronic timing will be in use with hand-timing back-up in case of technological malfunction.

Weigh-In of Throwing Implements

Throwing implements will be weighed-in under the tent located beside the Discus cage.

Indoor Warmup

Glenwood Centre (located behind the 100m start) is available for athletes to warm-up for events in case of poor outdoor weather conditions. The surface is smooth concrete.

Officials

VIAA Club Assignments - This is a Vancouver Island Athletic Association (VIAA) Island Series meet. VIAA member club officiating assignments have been set. If your club anticipates that it will have difficulty meeting its assignment (or will not be in attendance) please contact Darren Willis (Ph: 250-735-0753, Email: darren1willis@gmail.com) before April 21.

Officials Training - We are attempting to support the development of new officials so while you might arrive expecting to work a specific event (as per club assignments above), senior BC Athletics Officials will strive to move in-training officials around to different events to support their development.

Food & Beverage

Officials - We will be distributing food and drinks for our officials throughout the day.

Patrons - Jenni G's Bubble Tea truck will be on site the whole weekend for people looking for refreshments.

Sponsorship

The City of Port Alberni is a supporter of this year's event. A Community Investment Program (CIP) Grant is part of a package that helps offset some of the costs associated with hosting this event.

Tents - No Tent Pegs

The City of Port Alberni has installed irrigation systems around the perimeter areas of the running oval. The City asks that clubs and guests secure any tents using weight instead of hammering tent pegs into the ground.
