### IB/AP Exam Conflicts - Track and Field 2023

IB/AP exams take place at times dictated by outside bodies. Where they are required components for PSP graduation, in 2023 we will aim to accommodate student-athletes who have exam conflicts with specific individual events at district track and field meets. No accommodations are made for relay teams containing the student-athlete (put in a replacement) and no accommodations need to be made for Para athletes as they advance directly to provincials with no qualification necessary.

School representatives will complete the form below to provide the necessary information for district and regional meet directors/entry and results managers. With IB and AP exams both ending Friday May 19th, 2023 we should only have potential conflicts at some district meets. If the athlete has a genuine conflict we will auto advanced the athlete to your regional event in the event(s) in conflict

**Please see your district schedule to determine if the student-athlete does indeed have a conflict.**

**Complete one form per athlete and submit to your Regional SSNS director by 5pm May 12<sup>th</sup>.**

School			
Athlete Last Name	Athlete		Athlete First Name
Athlete Class	<i>Junior Girls</i>	<i>Intermediate Girls</i>	<i>Senior Girls</i>
	<i>Junior Boys</i>	<i>Intermediate Boys</i>	<i>Senior Boys</i>

Event(s) in Conflict	100m	800m	High Jump	Shot Put
