## OUR PHILOSOPHY

### WHY WE DO IT

An event for everyone. The BC Elementary School Track & Field Championships is an event hosted by the Kajaks Track & Field Club with the purpose of providing a fun and safe competitive experience for grade 3-7 athletes of all abilities. We welcome all elementary school aged athletes (ages 9-13) whether they are new or experienced to the sport of Track & Field; or whether they represent a participating school, or not. Anyone can register. No prior qualifying events are necessary.

## ETIQUETTE & CONDUCT

### WE WANT THIS TO BE A SPECIAL WEEKEND FOR ALL

The BC Elementary Track & Field Championships will be abiding by the [BC Athletics Codes of Conduct](#). It is expected that all participants: Athletes, Coaches, Officials, Spectators and Parents abide by the applicable codes of conduct. Failure to do so may result in expulsion from the competition venue in addition to other actions by the organizing committee. This meet is Volunteer powered, so be sure to thank one of our BC Athletics Officials, and our orange-shirted #KajaksFam volunteers.

Please see the [BC Athletics Technical Specifications Manual](#) for technical specifications by age. **There is NO provision for athletes to compete in events below their age division.** Where an event is not offered, they may enter in the next highest category if that category is noted for the age/gender in the BC Athletics Technical Specifications. Please also note the following restriction(s):

300m Event: The 300m is for 2011 and 2010 athletes only. Younger athletes will not be permitted to enter this event.

Seed times should be from races run this season.

**Competitor Numbers:**

Each athlete will have a competition number (bib number). Numbers must be worn on the front for all individual events. Relays will be run without competitor numbers for athletes running the first, second and third leg of the relay. The final leg runner must have their competition number. - Be sure that athletes have their competition number with them at the marshalling tent. They will not be able to check in without it.
- In addition to having their competition number with them, athletes should be warmed up and ready to run. Sweats can be worn until the starter gives the command "Sweats off." After your race, please return immediately to claim your clothing.
- Conflicting Events:** Due to the volume of entries, Track events will not be delayed. In cases where track events and field events are in conflict (going at the same time), athletes are asked to check in at their field and track event. Then, return to your field event and continue competing. Have someone from your team or family monitor the progress of the races and then come back and get you in time for your race. After your race, return immediately to your field event. If you return after the end of a round and the next round has started, missed attempts from previous round(s) will not be made up. If the event is over, the event is over. Please plan and prepare accordingly.
- Missed Events:** Athletes and coaches are reminded that there will be no refunds for athletes who miss their event(s). No exceptions.
