

Seba Pickleball And Tennis Association (SPATA)

We would like to start SPATA members round robin play beginning Monday July 10. These will be held Monday to Friday from 9:00 am to 11:00am. Players to arrive 20 minutes early to allow for sign-up and short warm up. There are portable nets that will be need to be set up and put away at the end of play. As well, the court dividers with sand bags to prevent them from falling over, can be set out to prevent balls from running between the courts during game play.

Round Robin Format

1. On arrival you will sign-in and be assigned a number.
2. Players play each game, on the court and with their partner designated, in accordance with a round-robin schedule and their assigned number.
3. Each play session will be timed to 12 minutes.
4. Games to 11, win by one. If your game ends prior to the 12-minute timer you may start another game. Play will commence when 12-minute time has elapsed.
5. At the end of 12-minute play, consult the round robin schedule to determine the court and partner for your next game.

For communication between Round Robin Players, we will use Whatsapp. Please download the app <https://www.whatsapp.com/> then send me a message through Whatsapp and I will add you to the group.

Thanks
