-Annual BC Athletics Fee-

BC Athletics membership fees are valid until December 31st, 2024 for new and renewing members registering on or after September 1st. In order to compete in track meets, athletes require a Competitive Membership. A Training Membership can be upgraded for an additional fee of \$44.75 + a \$5.00 admin fee (total \$49.75).

Please note: BC Athletics memberships will be increasing in 2024, therefore, if you are fairly certain you/your child will compete in 2024, we would recommend opting for the Competitive Membership now. The fee increase takes place October 1st, 2023.

-Training Shirt-

As part of registration, each athlete who registers by September 6th, 2023, will receive an OAC training shirt to keep. It is important to indicate your size at registration, or we cannot guarantee that we will have your size available for you. Athletes are encouraged to wear them to practices but it is not mandatory. Those who register late are not guaranteed a training shirt and will receive one only if stocks allow.

-Refunds-

As the number of athletes and funding is used to determine coaching requirements and funding, the Club does not provide refunds as a matter of policy. However, in the case of medical circumstance, some level of refund of the OAC Training Fee will be considered at the

discretion of the Club Executive. However, the BC Athletics Fee portion of the membership fees is non-refundable.

-Practice Cancellations-

We practice rain or shine. In the event of inclement weather such as thunderstorms or heavy smoke, we will contact athletes by email and social media to notify you if practice is cancelled. Cancelled practices due to mother nature are not refunded.

Athletes are asked to arrive for practice on time. If for any reason you will be late or cannot attend a practice, please inform your coach ahead of time. **Parents must pick up your athletes on time at the end of each practice.**

Please note: OAC has adopted a "No Pay, No Play" policy, whereby OAC fees that have not been paid in full (or whereby a pre-approved payment plan is not in place) by the athlete's first training session of the season, then that athlete will NOT be permitted to train and/or compete in OAC meets. Additionally, any athlete with outstanding fees from any previous season(s) will not be permitted to train and/or compete in OAC meets unless a payment plan is in place.
