NCCP FOUNDATIONS OF COACHING

BC ATHLETICS

COURSE DESCRIPTION

The Foundations of Coaching Course is the theory course common to Sport and Club Coach.

SPORT COACH

An introduction to Track and Field. This course teaches the basic skills of all events in track and field as well as how to plan a practice and a month.

It is ideal for the generalist coach that may be coaching introductory-intermediate level athletes in a multiple events, often in a school or club, at a junior high –high school level. The in-person portion is 1.5 days covering Sprints, Endurance, Jumps, Throws, and Strength.

CLUB COACH

This is an event/specific that teaches a more in-depth technical analysis for one event group and how to plan a season. Coaches can sign-up for either sprints, endurance, jumps, and throws (including para-throws).

It is ideal for the school coach/educator, club coach or parent coaching intermediate level athletes at the high school level and would like to learn more about a specific event group rather than all events. The in-person portion is 2 days covering a Technical Event, Strength, and Seasonal Planning.

CERTIFICATION STATUS

To be fully NCCP TRAINED in Sport or Club Coach, coaches must complete all of the following:

- Foundations of Coaching (This course) & pre-requirements (Emergency Action Plan and Long Term Athlete Development)
- The in person technical portion of Sport or Club Course
- Make Ethical Decisions: a 4 hour multi-sport module offer online. To be completed before or after the course
- [Click here for more information and how to access the course](#)

To be NCCP Certified in Sport or Club Coach, coaches must complete their evaluation consisting of submitting a coaching portfolio online and having an evaluator observe their practice (Click here for more information.) as well as their evaluation for Make Ethical Decisions (which is free after you have taken the course)
