Entry protocol - AUS Championships

- a) There shall be an unlimited number of entries from each university in each event, to a maximum total team size of 50.
- b) Only one (1) relay team shall represent each university in each relay race.
- c) **ENTRY DEADLINE:**
The deadline date for all entries to the AUS Championships shall be Monday, February 19th, 2024, at 11:59 pm (23h59). No late entries will be accepted. Entries must be made directly by the coaches of each university on the available web site.

- d) Changes in event entries may be made anytime up to two (2) days before the start of the Championship (i.e., if the meet starts on Friday, February 23rd, then **changes may be made up to 8:00pm (20h00) on Wednesday, February 20th, 2024**). The changes may be made by accessing the online registration web site and only done ***on athletes whose names appear on the original entry list.***
- e) Changes after the Thursday deadline may only be made at the scratch meeting. At the scratch meeting, teams may scratch athletes from events without penalty. There will be however a \$25 penalty charged per athlete, per event, to teams who have athletes switch or add events at the scratch meeting.

The meet convener will post start lists to a published webpage no later than the Tuesday preceding the Championship, and on Wednesday a final post will be published no later than 22h (10pm).

Athlete entries must be accompanied with seed performances. Seeding for the heats will be done two days before the meet. **Only performances listed on official U SPORTS track & field rankings trackie.com/usports/tnf/rankings/ should be used.** If athletes are registered in an event without any seed performances, they will automatically be placed at the end of the field of entries.

**PLEASE CHECK THE FULL TRACK AND FIELD PLAYING REGULATIONS ON THE
AUS WEBSITE.**
