About the «Series»...

Entering its 18th season, the Louis-Riel Indoor High School Track & Field Series is finally, on track! Over the years, it has played a major role in making the Ottawa area and Eastern Ontario Region a force in the Ontario High School Track and Field System. Furthermore, *The Series* has come to play a big part in recruiting, sustaining and inspiring the new energy of these successes. By providing our «outdoor sport in an indoor world» during the early and unpredictable spring season, both established programs and emerging new school teams have a reliable weekly challenge to launch a successful season. The Louis-Riel Indoor High School Track & Field Series is not about winning in the early season but rather about introducing athletes to new skills so they may learn and gain confidence with the physical challenges of the sport. The Dome environment allows coaches to bring their athletes to compete and learn about the sport with the confidence of being able to execute objectives with no interference from poor weather conditions. This is a great way get ready for the outdoor season and build your team’s confidence, pride and chemistry.

FIVE STEPS TO SCHOOL PARTICIPATION (detailed information will follow the resume)

- 1 Starting on February 16th, email me «**Request to participate**» with your School name for a particular meet or for several meets at one time and how many athletes you will be bringing(+/- 5 athletes / best guess).
- 2 Supply us with any other email addresses for your coaching staff at this time for increased communication options (cell phone and work numbers).
- 3 We will then promptly advise you of your school acceptance to the meet or meets requested or give you other meet entry options if the particular meet requested is full - the maximum entries reached.
- 4 We will then email the steps required to complete your meet entries. You can review your entry list online and make the necessary changes and scratches up to the close of entry.
- 5 Come to meet, pay entry fees and participate.

Step 1 : Request to Compete in the Louis-Riel Indoor High School Series

- Send an email to MAUDE.CARRIER-LAFORTE@CEPEO.ON.CA and specify which meet(s) your school wishes to attend and include a «best guess» of your team size. You can ask for **all meets** or just **the meets** that work with your school schedule planning.
- The «subject» line in your email should read «School name - The Series».**
- We will send you a confirmation of acceptance for your team for each specific Meets and your team size.
- Actual team size for the meet may vary by (+/-) 5 athletes with no consequences. Where actual team size varies by more than 5 athletes, organizers reserve the right to charge a minimum entry fee or refuse entries in excess of the accepted team size.

TEAM DECLARATION TO COMPETE BEGINS ON FEBRUARY 14th AND ONGOING

- Declarations are accepted on a «first come» basis until each competition is full. All meet have a max capacity of 400 athletes. Once again, all meets reached maximum last year! Coaches must understand that a «confirmed acceptance» to our meets implies that another school will not /may not be able to enter a meet when it is at max capacity. Coaches are strongly advised to communicate any cancellation of participation plans immediately so that another school may take the opportunity to compete. Email us with any changes, cancellation or a significant reduction in committed participation numbers of a competition so that others can be invited.
- When a school sends in a request to compete in a meet that is already at maximum, the school will be advised by email that it is on a waiting list for the meet. The email may also suggest a switch to another meet date that still has space remaining. If you wish to participate in a meet that is less than six (6) days away, please call us directly at 613.590.2233 (ask for Maude Laforte) during weekday business hours to find out if there is possible space for your team.

•**200m** : Only four (4) lanes! Due to the popularity of the event, we will conduct a **waterfall start** to keep the meet on track. Maximum of 8 per heat. We have done this often before and it produces an excellent competitive spirit among the runners and good results.

•**400m** : We may choose to conduct the race using a one (1) command start with either a waterfall or box start. Just like the 200m, we have done this often before and it produces an excellent competitive spirit among the runners and good results. We will place 8 to 12 runners in each race depending on age groups and gender.

•**Starting blocks** will only be used for **100m & Sprint Hurdles Events**. *Depending on entry numbers, we may only allow them for the Senior Division.*
