ATHLETICS / ATHLÉTISME

2024 SUMMER CAMP

Ages 7-14

A CLASSIC SUMMER PROGRAM THAT
INITIATES THE PATHWAY FROM THE
PLAYGROUND TO THE OLYMPIC GAMES!

Why the Ottawa Lions Summer Camp?

CANADA'S NUMBER ONE TRACK AND FIELD DEVELOPMENT PROGRAM

Canada's Number One Track and Field Club is your one stop destination for summer fun! We are offering half day and full day programs designed for young athletes aged (7-11 & 12-14 years). Campers will receive a fun and welcoming introduction to Track and Field. The program targets the physical "hurdles" our youth may approach by applying progressive motor skill development, physical strength training, and cardiovascular conditioning. Children come away from our program with a higher level of self-confidence, knowledge about the sport of athletics, and a skill set that will not only support them in the events of Track and Field but the fundamentals for ALL other Sports.

INCREDIBLE STAFF

All athletes involved in an Ottawa Lions program receive coaching from some of Canada's most decorated and experienced coaches. Our camps are led by highly energetic and passionate Provincial and National caliber athletes who not only have experience in the sport but also received technical training and programming. A maximum coach to camper ratio will be 1:10.

OUTSTANDING FACILITIES

Situated in picturesque Mooney's Bay, the Ottawa Lions call the Terry Fox Athletic Facility home. With a 400m Mondo running track that frequently plays host to Provincial, National, and International Championship events, you will also find 3 natural grass sports fields suitable for soccer, rugby, lacrosse, ultimate, and cross country running. The surrounding park includes additional sporting facilities, beach, and Canada's Largest Playground.

Afternoon sessions build on this with classic summer camp activities and campers explore other team sports and games. Campers will hike, play, and swim all around Mooney's Bay and the beach. Afternoons are filled with fun with many activities and sports such as arts and crafts, basketball, soccer, and playing on Canada's largest playground.
