Combined High Jump

## FACILITY LAYOUT

### STADIUM AREAS

### COMPETITION AREAS

### EMERGENCY ACTION PLAN:

There will be a First Aid Team located on site for the duration of the weekend. The First-Aid station will be located just east of the grandstands. This team is not responsible for RMT or PT but a first response in case of injury or need to call EMS.

A defibrillator is in the main building of the Terry Fox Athletic Facility.

If EMS is required at the Terry Fox Athletic Facility, the address is 2960 Riverside Dr. Ottawa Ontario K1V 8N4 (Inside Mooneys Bay Park). The best point of access is from the intersection of Riverside Dr. and Ridgewood Avenue, they should take an immediate right once inside Mooneys Bay Park. An alternative point of entry would be arriving from Hogs Back Rd, turning into the Mooneys Bay Boat launch entrance, and pulling up to the West Field.

Under a severe weather warning or arrival of a thunder/lightning storm there are very few locations for shelter. While there are a few change rooms and locations for shelter, they will be limited in space as a 2m physical distancing rule will apply while indoors (along with wearing masks). We ask that athletes, officials and volunteers who drive to the venue take shelter in their respective vehicles until the storm subsides. Please do not welcome others you did not travel with into your vehicle.

Special recognition to Athletics Ontario, Athletics Canada and the Ontario Cerebral Palsy Sports Association for their support of Athletics in Canada Day – Ottawa, a project made possible in part by the Government of Canada.
