Universal JD T&F Meet, Sunday, May 18, 2025

Marshalling:

- The schedule lists the **START** of the competition, not the start of an athlete's warm-up.
- Field events will marshal at their venue. As soon as the prior event is finished athletes may start getting their marks and checking in with the official. Athletes may NOT use throwing equipment unless an official is present and says you may do so.
- Track events will marshal near the start lines. Older athletes should check in 15 minutes before the scheduled start time of the event. Younger athletes should check in when athletes who are 2 years older are actually competing. Checking in too soon will just slow things down.

Conflicting Events:

- Be advised there will be conflicts with some age groups between track and field events.
- To avoid missing field events or races, athletes should report to BOTH field and track events. Parents/Coaches should help their athletes keep track of when their events are being run.
- BCA officials will **TRY** to facilitate athletes doing both events. Athletes cannot "catch up" on missed rounds of field events, nor move into different heats/races and/or compete with other age groups because of missed events. **Read the schedule carefully before registering.**

Seeding:

- Athletes will be seeded randomly for 100m heats, the top 8 fastest times will proceed to the finals.
- Timed finals will be seeded according to provided seed times at the time of online registration. Timed finals sections will be seeded with the fastest seeds in the same section and the fastest section competing last. **Athletes will not be moved because they haven't provided a seed time.** Athletes without seed times may be placed in any heat or unfilled lanes.
- IT IS THE RESPONSIBILITY OF THE PERSON ENTERING THE ATHLETE TO FILL IN SEED TIMES ON THE ONLINE ENTRY FORM, AND ENSURE SEED TIMES ARE ACCURATE.
- The meet has the right to verify seed times and will adjust as necessary.

Preliminary Heats:

- Heats will be held in the 100M events. All other Track events will be run as timed finals.
- **If there are 8 or less athletes in a heat, that heat will be run as final at the time of the heat.**

Throws and Horizontal Jumps:

- Each athlete is permitted 3 attempts.

Vertical Jumps:

- The bar is to be raised by 5 cm in HJ. 3 consecutive failed attempts will eliminate an athlete.
- The starting height will be determined at the start of the event by the BCA official in charge.

Facilities:

- Spike lengths are 7mm with the exception of 9mm for high jump.
- Synthetic/Polyurethane track, jump and javelin run ups. Concrete throwing surfaces
- Finish Lynx Electronic Timing System

Protest:

- Athletes or a representative must attempt to resolve the concern, either verbally or in writing, within 30 minutes of posting, with the Event Referee. The Event Referee will deliver a decision.

Appeal:

- The decision of the Event Referee may be appealed, within 30 minutes, by any athlete or representative affected by the decision.
- The Appeal is made to the Jury Of Appeal, in writing, and must be accompanied by \$50.00 cash. If the appeal is upheld, the fee will be returned.
- Results officials shall be advised immediately if there is a protest/appeal so awards will not be given out until dispute is resolved.

Jury of Appeal:

- A jury, comprised of two BC Athletics officials (not involved in the conflict and experienced in the field of play questioned,) and the Meet Director or Meet Manager will be asked to resolve any appeal during the meet. The decision of the jury will be final.
