A 1-meter jump zone is used for athletes in the U7, U8, U9, U10 and U11 age groups. The athlete may take off anywhere in this zone and their performance will be marked from where they take off during their jump.

The U12 and older athletes will use the regular takeoff board during the event. Successful attempts are measured from the furthest end of the take-off board. Athletes who step over the board during their attempt will be charged with a "fault".

**Long Jump / Shot Put Attempts**

There are six rounds in the Long Jump and Shot Put events. All competitors will participate in the first three rounds, and the top eight jumpers/throwers will get three additional jumps/throws after round three.
