The 2025 CDBC

Parc Jean-Drapeau, Montreal QC

August 20-25

The Championships

Dragon Boat Canada (DBC) is excited to welcome all federation members to race at the most competitive event in North America in 2025. The event will be held at the [Olympic Basin at Parc Jean-Drapeau](#), Montreal Quebec from August 20-24, 2025.

The Racing

Racing will be conducted in Champion boats. We are pleased to be working with Mission Dragon Boat, and for 2025 only we will have racing take place in Standard and Small boats (rather than Standard Crew and Small Crew in a Standard boat).

Division 1:

- Premier, 39 and over, 49 and over, 59 and over, 69 and over, 18 and Under, 24U-PS, Breast Cancer Paddlers (Open only), All Cancer Paddlers (Open only), and Para – PD2 (Open only)
- Classes: Open, Women and Mixed
- Distances: 200m, 500m, 2000m
- Crew sizes: Standard (20 Paddlers, Drummer and Steersperson) and Small (10 Paddlers, Drummer and Steersperson).
- Division 1 paddlers may not race in Division 2 (See DBC Rules)

Division 2:

DBC is thrilled to bring back Division 2 for the 2025 CDBC – you can see full information about whether D2 is for you in the Q and A portion toward the end of the bulletin.

- Class: Mixed
- Distances: 200m, 500m, 2000m
- Crew Size: Standard (20 Paddlers, Drummer and Steersperson)
- Division 2 paddlers may not race in Division 1 (See DBC Rules)

Racing will be conducted in accordance with the 2025 DBC rules which will be available February 2025.

The Venue

The [Olympic Basin is located in Montreal Quebec](#). The racecourse is equal depth in all lanes and all straight race starts will be conducted using held starts.

There is a sufficient space at the site for Clubs to set up tents for the duration of the event. Unfortunately, DBC is not able to provide Crew tents for rent. Clubs are asked to please set up their team areas on the tower side of the racecourse. The opposite side of the course is off limits.

Limited parking is available at a cost. There is a [metro station](#) (line 4) conveniently located at the park which is a great option.

Entries

Entries are open to all DBC and other federation Member Club Crews.

All Canadian Athletes, Coaches and Team Managers competing at the 2025 CDBC must be current members of DBC. Registration will open February 24, 2025. The deadline to register Crews is **June 15th, 2025**.

All registration will be done online, and payment may only be made by credit card. In order to register a Club Crew a minimum of 6 Racers must be attached to a Crew. Payment is due at time of registration. All registrations are non-refundable and non-transferable.

The entry fees are on a per Racer basis. *The fee for first entry for all categories is \$75.

All subsequent entries for Premier, Para, BCP, ACP, D2, Senior A, Senior B, Senior C, and Senior D are \$35. As an example, if a Racer is registered for Premier Open the fee will be \$75. If they are registered for Premier Open and Premier Mixed the fee will be $\$75 + \$35 = \$110$. If they are registered for Premier Open, Premier Mixed, and Senior A Mixed the fee would be $\$75 + \$35 + \$35 = \145 .

All subsequent entries for 18U (Junior) and 24U-PS are free. For example, if an individual is registered for 24U-PS Open the fee is \$75. If that individual is registered for 24U-PS Mixed and Premier Open the total fee would be \$75.

IMPORTANT: In order for 18U and 24U-PS Racers to be able to benefit from the zero cost for subsequent entries they **MUST** be first registered for an 18U or 24U-PS Crew. If they register for Premier first, the discount will not be applied, and **fees will not be refunded**.

Following the registration of a Club Crew, individual Racers may be added until **August 15, 2025**.

Please note that all registrations are non-transferable and non-refundable.

*All fees are subject to applicable taxes (14.975% HST QC).

Frequently Asked Questions

What the heck is a burgee?

Burgees are much coveted! They are awarded to the club that accrues the most points across all categories and classes at the event and the top ranked club overall in each Division (e.g Division 1 24U-PS, Division 1 Senior A or Division 2). Remember those pennants they hung up in your high school gym? Those are burgees.

Should my Crew be racing in Division 1 or Division 2?

If your Crew is an aged-based crew, ACP, BCP or Para then you are for sure Division 1.

Division 2 is intended for developing crews. Is your Crew solid, but not quite ready to take on the best? Have a mix of "premier" aged paddlers with a sprinkle of Seniors? In a building year, and want to come out and race at an amazing racecourse? Is your Crew considering taking a stab at qualifying for CCWC 2028, and want to be part of the action? Are you a relatively new 24U-PS crew and are concerned about racing in the 24U-PS category? Then Division 2 is for you!

Are you hoping to go to the 2026 CCWC? Do you regularly race in Club Crew Racing?

If so, you need to register in D1, Division 2 is **not** for you.

Small Boats at the Canadian Dragon Boat Championships...say what now?

Working with Mission Dragon Boat means that DBC will have Small Boats available for this Championship only.

Hold it, only one medal for the accumulated outcomes of all 3 distances?

Yes, but don't freak out! The medals are THE BOMB and are worth getting 1 instead of 3. Accruing points increases the competitiveness of racing and the importance of each race.

What will the race progression plan be?

Great question! A detailed explanation of the progressions will be provided in Bulletin 2.

Have questions that haven't been answers? Well, reach out to DBC at director@dragonboat.ca!
