

Mono Pickleball Club – Self Assessment Skills Checklist

Self-Assessment Skills Checklist

Instructions: The following skills form the basis of the Skills Evaluation. Members seeking to change their level of play to 2.5 and above are asked to analyze their readiness using the checklist below. Do this by checking the most appropriate box for each skill.

NOTE: During the evaluation additional weighting will be given to “Shot Selection”.

Players requesting an evaluation are expected to demonstrate the majority of their skills in the second and/or third columns.

	Descriptor	Personal Assessment		
		1. Developing -some ability, < 50% consistency	2. Capable -approaching 70% consistency	3. Proficient -regularly and skillfully, 90% consistency
