RCL District B Track and Field Meet Regulations

There is a restriction of three (3) events per athlete. It is recommended that those athletes interested in being considered for the multiple events compete in the key elements of those events (hurdles, high jump, shot put, etc.)

Athletes found representing the wrong District, or competing in multiple Districts, will only be included in the selection for the District Team if prior approval is received from both District Chairs and The Provincial Chair.

Should approval not be obtained, participants will forfeit their further participation, which could lead to being ineligible for other legion events. Information will be passed on to national coordinators to determine the outcome.

Athletes who reside outside of the District B boundaries are welcome to compete however, inclusion in the Provincial meet must be pre-approved by BOTH District Chairs.
