Data from the website will be transferred to the meet database on the day of **Tuesday, May 6th**. Any changes made on the website **after this time will not** be included in the meet schedule. Please contact the meet director at boudreaut@ccrce.ca or 902-616-4040 with any questions or concerns.
- Entry Restrictions: Each school may submit **FIVE** entries per event per grade class **ONLY** with the exception of Supported Athletes and Para who have no limit to participation numbers. Each school is restricted to **ONE** entry in each of the relay events per category. An athlete may compete in a maximum of **SIX** events including relays, meaning 6 individual events + 0 relays OR 5 individual events + 1 relay OR 4 or less individual events + 2 relays.
PLEASE ENSURE THAT YOUR SCHOOL DOES NOT SUBMIT MORE THAN FIVE ATHLETES PER EVENT PER AGE CLASS.
- Supported Athletes: Supported Athletes will be allowed to participate in the following events: 100m Finals, Long Jump (**3 running or standing jumps maximum from any point on the runway**) and Shot Put (**3 throws maximum, women 3kg & boys 4kg**). Please enter all supported athletes online using the correct category (Supported Junior for athletes in grades 7-9 OR Supported Senior for athletes in grades 10-12). These athletes will only compete on day 1 of the meet.
- Para Athletes: Para athletes are also encouraged to participate in this meet. Para athlete events will be 200m (ambulatory & wheelchair), 800m timed finals (ambulatory), and Shot Put (seated and ambulatory). Athletes will be allowed **3** throws each. Women 3kg & Men 4kg. Any Para athlete in grade 7-12 shall be able to participate (no age limit). Registration will be online with all able bodied athletes. Please be sure to use the appropriate category. These athletes will only compete on day 2 of the meet.
- IB/AP Exam: Student-athletes whose District participation is affected by IB/AP exam conflicts will be able to auto-advance to Regionals in the affected event only, given the appropriate documentation has been completed and submitted on time. **THE FILE IS POSTED ON OUR TRACKIEREG PAGE.** All forms must be **submitted to Trevor Boudreau by TUESDAY MAY 6th at 5pm.**
- Spike size: The maximum spike size is 7mm and only cones or pyramids will be permitted. There may be random checks at the marshaling area.

Officiating: As has been the case in recent years, we are expecting assistance in all areas of officiating. Each participating school **MUST** provide 1 or 2 minor officials [i.e., coach, parent, former student athletes, leadership students, etc.] to provide assistance with minor tasks such as raking sand, measuring throws, holding tape, etc. Schools will be assigned to a specific event and are expected to help. Please see the file attached in order to check and confirm the event your school is responsible for officiating. **Note: officials will be provided with a free lunch for the day through our canteen.**

Age Classifications: Junior – grade 7 and 8 students
 Intermediate – grade 9 and first year high school students
 Senior – second and third year high school students
 Supported Junior - Grades 7-9
 Supported Senior - Grades 10-12
 Para athletes - grade 7 - third year high school students

Hurdles: Scheduled as the first event of the day. The hurdles event is a timed final at the District level. The race order will follow the same as all other track events: JG, JB, IG, IB, SG, SB.

Heats & Finals: All track events will be timed finals with the exception of the 100m and 200m races. Because the heats were decided randomly, **the fastest 16 athletes from those heats will advance to a two heat timed section final.** The fastest eight times from the heats will race in the second final. Preferred lanes will be used to determine timed finals. In the event of a tie in any heat, the competitor with the higher heat placing will advance to the finals. If athletes remain tied after this tie breaker, then 3 finals may be required. The 400m is a timed final only.

 Please make note of a couple changes to field events for this year's schedule. All javelin events will take place at the same time as other field events. Supported athlete's shot put will be thrown from the old discus cage.

Age Up Individual: Athletes can move up one age/grade class (except grade 6 student-athletes), but **MUST** continue to compete in that grade class for the remainder of the meet and all subsequent meets thereafter. No athlete can age up once they have already competed in their age/grade appropriate category. The class for any athlete shall be set by the athlete's first participation in an event at the District level.

- Age Up Relays: Athletes can “age up” and compete on a RELAY team during a competition without requiring an “age up” in all their individual events. Any athlete who plans to compete on an older relay team CANNOT also compete on a relay team in their own age class. Once the athlete has competed in the relay, they must continue to compete on that relay team for all subsequent competitions and cannot return to their own age class relay team if they fail to qualify.
- Advancement to Regionals: The top eight athletes in each event as well as the top four relay teams will advance to Regionals on May 23rd & 24th. The 9th place competitor (or 5th relay team) from each district may substitute for an athlete/team of the **same district** that is in the top 8 if one is unable to compete.
- Schedule: A schedule of events is enclosed. These scheduled times will be difficult to follow closely due to variances in the number of athletes per event, weather and other factors. All track events will start as the track is ready. Athletes are encouraged to stay on-site and to check in with the clerk of the course and/or the head officials of field events ASAP after the first call by the announcing booth. **All athletes competing in field events should pay careful attention to their schedule.**
