

RATED or LEVEL PLAY at SLE PICKLEBALL your “Competitive place to play”

As many clubs are moving forward with rated play, new standards are being implemented to support the integrity of level play at SLE Pickleball. To that end, should a player wish to participate in rated play sessions, verification of one of the following options will be required for the 2025 season:

1. An IPTPA skill rating assessment by a certified rater
2. Participate in a minimum of 10 games in a “qualified” tournament where the results will be officially recorded by a Tournament Director.

Please note:

There are approximately 20 tournaments in BC each year. The qualifying tournament does not have to be a sanctioned tournament, but it cannot be a “club members only” tournament. The results need to be available for verification by the Ratings Committee through DUPR, *pickleballtournaments.com*, or *pickleballbrackets.com*. Many tournaments in the US and Canada meet the requirement.

The club policy has been developed over several years and is designed to support the integrity of level play.
