General Rules

1. **MARSHALLING** takes place on the Speed Track. Athletes who do not present themselves in the Marshalling area as required will not be eligible to compete in the race. Athletes will remain within the marshalling area until the start of the race.
 - a. **All track event** athletes are required to check in at the Marshalling Table at least **20 minutes prior to the scheduled event** start time. When checking in, please have your number on and your spikes available to verify spike length.
 - b. **Field event** athletes will marshal at the event competition area and are requested to be at the competition area **20 minutes before the scheduled start** time of the event
2. The **competition numbers** must be worn on the back for events run entirely in lanes (60m to 400m). Athletes in horizontal jump events must wear numbers on front; for other field events, athletes may wear numbers either on front or on back. Please ensure that singlets/ uniforms are tucked in so that hip numbers are visible. This ensures photo timing can be done effectively and properly.
 - a. Numbers must be worn on the front for all track events not finishing in lanes (including the final runners on medley relay teams).
 - b. For U10, U12 and U14 athletes, competition numbers must be worn on the front for all events.
 - c. Hip numbers must be clearly visible on the athletes' right-side hip.
3. All **seed times** must be accurate; all non-verified seed times will be given a NT (no time). Repeat violations will translate into penalties against the coach and club. Athletics Alberta "Rules of Illegitimate Seed Times" will be followed. (Please see www.athleticsalberta.com/hosting-and-sanctioning, especially the details provided on www.athleticsalberta.com/app/uploads/2015/11/AA-seed-performance-policy-Updated-Feb-2015.pdf.) If coaches submit an erroneous seed performance or one that cannot be verified, the athlete will

instead have an “NT” (or equivalent for field event).

4. **Starting blocks** are mandatory for all athletes U16 and up. Starting blocks are optional for Masters. Starting blocks will not be used for U10, U12, nor U14 events. ** Athletes with a medical condition may apply not to use starting blocks 1 week prior to competition. Please email the Meet Director & AA Technical Manager
5. **Throwing implements** will be provided. No personal implements will be permitted unless by approval of officials at the event.
6. **Pole Vault** equipment not suitable for jumpers over 4m, as mats and standards are novice in size.
7. **Spikes** are to be no longer than 7mm in length. Only Pins, Needles or pyramid type spikes will be allowed. No Christmas tree spikes will be permitted.
8. **Scratches** during the competition are to be submitted at the registration area, near the 100m start line.
9. **Athletes competing in heats who do not intend to compete in the final** must inform the Results Desk before the heats. Such athletes will be marked as exhibition, thus allowing someone else to advance to the final. Otherwise, IAAF Rule 142.4 will be applied (i.e.: the athlete may be disqualified from participating in the rest of the meet).
10. **Restricted access to the field for coaches, athletes** (with their numbers), officials, and volunteers only. Spectators are not to be present on the infield anywhere.
11. U10, U12, and U14 athletes who miss an event will be allowed to continue in the competition .However, they will not be considered for overall points.
12. U14 exhibition hammer throw will only have 3 attempts.
13. **Breaking Record:** If you break a provincial record, paperwork must be submitted at the meet so the appropriate individuals and paperwork can be processed in a timely manner. Athletes expecting to break a record and requiring a special form should bring the form to the meet (various factors, like Internet access outages, have been known to prevent the Results team from printing a needed form).
14. **Age groups may be combined** in the schedule if there are less than 3 people in an age category and technical specifications can be adjusted within the event between participants (i.e., hurdles races may be combined, but steeplechase will not be. Field events may be combined, but athletes will use appropriate implements etc))
