## Western Canada Team Challenge – U16/U18 Provincial Team

The U16/U18 Western Canada Team Challenge Provincial team program is a provincially focused competition opportunity run by Athletics Manitoba. The program targets athletes born in 2010/11 (U16) and 2008/09 (U18). The program's goal is twofold: to provide a competitive opportunity for our top athletes and to identify and engage new talent in the performance pathway of track and field.

The U16/U18 provincial teams will be competing in **Edmonton, AB on the weekend of July 18-20<sup>th</sup> (Travel on 17<sup>th</sup> and arrival back in Winnipeg early morning on the 21<sup>st</sup>)** against teams from Saskatchewan, Alberta, British Columbia, and Yukon.

**The standards used for athlete identification will be updated no later than June 11<sup>th</sup>.** Please note that achieving the standard places the athlete in the selection pool; it does NOT guarantee selection. Standards in the events must have been met or exceeded at a sanctioned competition between the dates of April 1<sup>st</sup> 2025 and June 28<sup>th</sup>, 2025.

**NOTE:** If an athlete is unable to attend the Athletics Manitoba Outdoor Age Class Championships, they must still complete the declaration form AND submit a detailed appeal letter explaining why they are unable to participate at Trials. The selection process does allow for the consideration of appeals, however not ALL appeals are considered equal. Only under extenuating circumstances will an appeal for selection be granted (see below).

- Selection process will assume a team split of 20 male and 20 female athletes per team (U16, U18).
  - In the case where there are insufficient eligible athletes of one gender or age group, those spots will be reallocated (first within the age group, and then within the team as a whole).
- An athlete's ability to contribute to relays will also be considered during the selection process.
- In alignment with the program's overall mandate, and to continue the development of rural programs, the goal will be to allocate approximately 20% of team spots to rural athletes who have achieved standard.
- Athletes will be notified before **July 6<sup>th</sup>** if they have been selected to the Team.
  - Athletes who have not been selected to the team **will** also be notified.

## APPEALS:

Only athletes who have met the athlete eligibility requirements and who have achieved a standard in 2025 (April 1<sup>st</sup> and onward) may submit an appeal for selection to the U16, U18 Teams. Appeals are only accepted if an athlete is not able to compete in their event at the trials. All appeals whether medical or extenuating circumstances must be submitted with supporting documentation indicating that the athlete will be competition ready by the Western Canada Team Challenge.

## COMPETITIVE READINESS REQUIREMENTS:

Once selected to the team, athletes with questionable competitive readiness due to lack of fitness, injury or illness may be removed from the team at any time. Athletes will be required to immediately report any injury, illness or change in training that could affect their ability to compete at their highest level at the Games. Notification must be sent to the Team Manager.

Failure to report injury or illness prior to the event may result in the athlete being deselected from the team.

“Competitive readiness” is the ability of the athlete to achieve equal or superior performance(s) at the Western Canada Team Challenge in Winnipeg, MB, using the same level of ability that was used when qualifying for the team. If an athlete’s competitive readiness is in question, a performance test involving the Personal Coach, Team Coaches or Team Manager will be arranged. This test will vary in accordance with the event, injury or illness. Failure to demonstrate adequate health, fitness, and/or readiness an appropriate time before the 2025 Western Canada Team Challenge may result in removal from the team.
