### **The Edna Thibodeau Throwing Events**

The Throwing Events are the Edna Thibodeau Throwing Events. This is in honour of the time that Edna shared smiles & laughs, as she ran & threw, at local competitions starting in her 80's and continuing into her 90's. She was an inspiration to everyone.

### **The Patty Blanchard Masters 5km**

This year we introduce the Patty Blanchard Master 5km. Patty grew up in a family that ran, and she has never stopped. She has been a fixture on the track, and the roads, in New Brunswick and beyond for well over 50 years. She has competed locally to internationally in a large variety of events.

Her work ethic and perseverance both on and off the track have been and still are an inspiration to all.
