5.2 Entry Rules

5.2.1 Entry Qualification Process

The following Entry Procedures to the Ontario Provincial Championships will apply to athletes who meet the set criteria.

- A) U16 Boys & Girls - 15 and under as of December 31, 2025 - Born 2010 or later
- B) U18 Boys & Girls - 17 and under as of December 31, 2025 - Born 2008 or 2009

5.2.2 Eligibility of Entry Performances

Athletes must reside in the district in which they are to represent.

All athletes must complete proper consent forms before competing.

As per the District Criteria for selecting their Team, all athletes' performances will be based on their District meet results.

No further changes to performances will be allowed after the entry deadline.

Athletes found representing the wrong District or competing in multiple districts will only be included in the Provincial team selection if section 5.2.3 has been enacted and approved by all parties before registration.

If this occurs, participants will forfeit their future participation, which could make them ineligible for other legion events. The information will be passed on to national coordinators to determine the outcome.

5.2.3 Athletes unable to attend Home District event.

If an athlete cannot attend their home district meeting and has a valid reason, the home district chair should contact another district whose meeting is available, and both should agree to include the athlete at that meet. Chairs should also agree to the outcome if the athlete is considered to move on to be selected for a district team. This decision should be documented and passed on to the Provincial Chair for awareness.

This should be completed before either district event takes place.

5.2.4 Decathlon Eligibility

Because the Ontario Command Championships are conducted over 1½ days, it has been deemed too short to conduct a safe competitive Decathlon.

To be considered for selection to compete in the Decathlon at Nationals, U18 Boys must provide PV and Discuss verifiable results of other meets from the current outdoor season through their District Chair and passed onto the Provincial Chair and submitted by the registration deadline. Only 1st & 2nd place will be eligible for progression.

These results points will be added to the results from the Octathlon to determine an overall point tally for the Decathlon, which will then be used according to the selection Criteria below.

8.0 TEAM ONTARIO SELECTION CRITERIA

Team Ontario will consist of a maximum of 40 athletes with a restriction of no more than 25 in a single age category. The following are the criteria for selecting the team.

All 1st & 2nd places of events will become members of the selection pool. This pool normally has 46 athletes including reserves.

The following is the order of selection to the *Legion National U18 Track & Field Championships*:

1. All 1st—and 2nd-place athletes in the selection pool will have their Provincial Track Meet performances compared to the Legion *National* Results for the past 5 years. Based on this comparison, athletes will be ranked. The top 46 athletes with the lowest scores may be selected and notified.

2. Athletes wishing to compete in the Decathlon must indicate to the Provincial Track and field chair, through their district Chair, their intention to compete at Nationals before the Provincial Championship commences, prior to the registration deadline. They must also provide verifiable PV and Discus Results from the outdoor season to be considered.

The Provincial Track & Field committee will confirm final team selection.

Selection examples

Example: Jane Smith wins the 200m 15 and under in 25.78 sec.

Over the last 5 years this would have placed 2nd, 4th, 4th, 2nd, 1st = $2+4+4+2+1=13$ pts.

Paul brown wins the 1500m 17 and under in 4:02.15 min.

Over the last 5 years this would have placed 5th, 4th, 6th, 3rd, 3rd = $5+4+6+3+3=21$ pts.

Therefore, Jane with the lower point total will be selected before Paul

The Provincial Track and Field Committee may look at the second-place finishers. These 2nd place finishers will be ranked with the 1st place finishers using the same criteria.

Note: Updated 5-year comparison lists (Provincial and National) will be prepared and be available to District Chairs by the January Teleconference call.

Team Staff will review the results of the meet and the athlete's other performances when entering them into events at the *National* meet. Athletes may be entered into events other than those which they won at the Provincial meet.
