### **IMPORTANT REMINDER: Today, September 1, eyewear is now mandatory to play at AgRec.**

There has been plenty of notice for you to make a purchase if you need to, and to have gotten used to wearing them. Please don't put our hosts in a position of having to stop play and ask you to put on your eyewear. If you have forgotten to bring them, we expect we will have available the ugliest safety glasses possible for you to wear :). No excuses, no injuries.

As of today you can renew your membership to [Abbotsford Pickleball Association](#). The membership will be good to the end of 2026.

**Tournament News** - We have dates for another **Fall Classic, November 21 to 23rd**. Our Don Barden and Doug Margison have this set up on [Abbotsford Fall Classic](#), registration is now open.

Tournaments are one of the best sources of revenue, but we need volunteers to make it happen. Tournament volunteers are what make a tournament a great place to have fun and grow the bank account for future pickleball facilities. We will be working harder this year to give volunteers the information and training they need to feel comfortable and to a good job for all the players. Last year the tournament went well but there are areas where we can improve. Don't let the past scare you away, let's work together to make it the best tournament yet. If you are eager to help us get started with volunteers, send us an [email](#).

APA has officially adopted the **APA Code of Conduct and Ethics Policy**, the **APA Complaint Initiation Policy**, and the **APA Complaint Resolution Policy**.
