Check In:

Check-in for all events except the 300m will take place at the event site 30 minutes prior to the start of the event.

Due to the large number of 300m competitors, we have introduced a special check-in procedure to keep the event on schedule.

Step 1. Athletes must declare whether or not they will be competing in the 300m. Athletes or coaches will simply either tick their name or cross it out. There will be a volunteer to assist with the declaration. The table will be at the entrance to the track (at the top of the stairs).

Step 2. The deadline to declare will be 1 hour before to the start of the event.

Ex. Women's 300 starts at 3:15. Deadline to declare will be 2:15

Step 3. 30 minutes prior to the start of the event, Athletes will check-in with the official on the infield near the start of the 300's (East end of the track)

Note

*Declaring DOES NOT mean you have Checked In. You must check in with the official

*If you only plan to run the 300, make sure you arrive early enough to follow the check-in procedure.
