Para, Para Ambulatory, Para Wheelchair, Para Intellectual, Para Vision		100m timed finals	200m timed finals

MULTIPLE EVENTS For U10 and U12 - Awards, Modifications, Specifications

Scores will be kept for Multiple Events:

1st place in each event gets 10 points, 2nd 9 points, 3rd 8 points, etc. down to 10th and below who get 1 point.

Points from the day's events will be totaled and medals given to top 3 athletes overall.

Athletes may miss or "scratch" an event and continue the competition; however they will not be considered for overall points.

Modified Rules for U10 and U12:

Long Jump: U10 and U12 will have 1m take-off area and the official will judge the take-off spot accordingly and measure. For the competition, all jumpers will have 3 attempts.

Standing Long Jump: Jump is done with feet together, no steps allowed.

Field Events: Each athlete will receive 3 attempts (Long Jump, Shot Put, Turbo Jav, Standing Long Jump)

High Jump Specifications and Starting Heights

U14 High Jump: Three successive failures will eliminate the jumper from further competition. Starting height of 0.90m, increments of 10cm until a height of 1.20m, increments of 5cm thereafter.

U16 High Jump: Three successive failures will eliminate the jumper from further competition. Girls: Starting Height 1.00m, increments of 10cm until a height of 1.30m, increments of 5cm thereafter. Boys: Starting Height: 1.10m, increments of 10cm until a height of 1.40m, increments of 5cm thereafter

U18 High Jump: Three successive failures will eliminate the jumper from further competition. Women: Starting Height 1.20m, increments of 10cm until a height of 1.40m, increments of 5cm thereafter. Men: Starting Height: 1.30m, increments of 10cm until a height of 1.50m, increments of 5cm thereafter

Awards

Medals will be awarded to the top three finishers U14-Open.
Ribbons for the top 10 in the U10 and U12 categories for all events.
Medals will be awarded for U10-U12 overall for each day.
Certificates will be given to every U10-U12 for each day.

Timing

Results will be posted during the meet on the wall behind the stands, and will be available online at:

www.ellistiming.ca

**if you are having difficulties loading live results please clear your cookies, etc.

Athlete Services and Information

Washrooms: Porta potties are available on-site at the main entrance (South End of the Track).

First Aid will be available on site in the middle garage.

Therapy Services: May be available

General Rules

- MARSHALLING** takes place on the Speed Track. Athletes who do not present themselves in the Marshalling area as required will not be eligible to compete in the race. Athletes will remain within the marshalling area until the start of the race.
 - All track event** athletes are required to check in at the Marshalling Table at least **20 minutes prior to the scheduled event** start time. When checking in, please have your number on and your spikes available to verify spike length.
 - Field event** athletes will marshal at the event competition area and are requested to be at the competition area **20 minutes before the scheduled start** time of the event
- The **competition numbers** must be worn on the back for events run entirely in lanes (60m to 400m). Athletes in horizontal jump events must wear numbers on front; for other field events, athletes may wear numbers either on front or on back. Please ensure that singlets/ uniforms are tucked in so that hip numbers are visible. This ensures photo timing can be done effectively and properly.
 - Numbers must be worn on the front for all track events not finishing in lanes (including the

final runners on mixed relay teams).

- b. For U10, U12 and U14 athletes, competition numbers must be worn on the front for all events.
 - c. Hip numbers must be clearly visible on the athletes' right-side hip.
3. **Starting blocks** are mandatory for all athletes U16 and up. Starting blocks are optional for Masters. Starting blocks will not be used for U10, U12, nor U14 events. ** Athletes with a medical condition may apply not to use starting blocks 1 week prior to competition. Please email the Meet Director & AA Technical Manager.
 4. **Throwing implements** will be provided. No personal implements will be permitted unless by approval of officials at the event.
 5. **Pole Vault** equipment not suitable for jumpers over 4m, as mats and standards are novice in size.
 6. **Spikes** are to be no longer than 7mm in length. Only Pins, Needles or pyramid type spikes will be allowed. No Christmas tree spikes will be permitted.
 7. **Scratches** during the competition are to be submitted at the registration area, near the 100m start line.
 8. **Athletes competing in heats who do not intend to compete in the final** must inform the Results Desk before the heats. Such athletes will be marked as exhibition, thus allowing someone else to advance to the final. Otherwise, IAAF Rule 142.4 will be applied (i.e.: the athlete may be disqualified from participating in the rest of the meet).
 9. **Restricted access to the field for coaches, athletes** (with their numbers), officials, and volunteers only. Spectators are not to be present on the infield anywhere.
 10. U10, U12, and U14 athletes who miss an event will be allowed to continue in the competition. However, they will not be considered for overall points.
 11. U14 exhibition hammer and javelin throw will only have 3 attempts.
 12. **Breaking Record:** If you break a provincial record, paperwork must be submitted at the meet so the appropriate individuals and paperwork can be processed in a timely manner. Athletes expecting to break a record and requiring a special form should bring the form to the meet (various factors, like Internet access outages, have been known to prevent the Results team from printing a needed form).
 13. **Age groups may be combined** in the schedule if there are less than 3 people in an age category and technical specifications can be adjusted within the event between participants (i.e., hurdles races may be combined, but steeplechase will not be. Field events may be combined, but athletes will use appropriate implements, etc.)

Technical Specifications
