EXTRA INFORMATION

- All races will take place in the trails of the **CLUB PLEIN AIR DE CARAQUET**, 50 rue du Colisée.
- Strollers and pets are prohibited on the course (Run NB insurance rules.)
- Participants are invited to bring their water bottles or hydration packs to help us reduce the event's environmental impact. Re-usable glasses will also be available at the water stations.
- Walkers and kids are advised to choose the family oriented 5 km race. It will take place on a wider trail with more secure footing than the longer races. A water station will be located at 2.5 km on the course.
- The 10 km, 25 km, and 50 km races are for more experienced runners. The trails for these races will be narrow (single-file) and challenging because of the many protruding rocks, roots, sharp turns, ups and downs, etc.
- The 10 km, 25 km, and 50 km races will take place on the same 5 km loop where there will be aid stations every 2.5 km with water and snacks. Participants in the 50km can also leave drop-bags at the aid stations.
- Earbuds are prohibited in the 10, 25, and 50 km races because the trails are narrow and passing runners need to be heard. Listen to the sounds of nature! 😊
- Medals will be awarded to all participants for every race.
- The first 3 males and first 3 females of the 5, 10, 25, and 50 km races will receive specially marked medals to celebrate their accomplishments.
- Kids' race entries for the 100m and 1 km are free! The price of entry for the adult races will vary according to the distance chosen.
- Course Caraquet is a non-profit organisation led by volunteers. All proceeds will be re-invested in equipment or initiatives that will serve to ensure the survival of the organisation and/or to promote running in the Caraquet region.
