<i>Tentative schedule based off of previous years entry numbers. Events will be adjusted based on final entry #'s.</i>			

- 1) Long Jump and Triple Jump are being ran as a singular open event. Only the top 8 athletes (regardless of age) will receive 3 additional jumps (6 jumps in total).**
- 2) Final schedule is subject to entry numbers. Meet goal is to provide a quality competition opportunity but time is limited and meet management will do its best to accommodate entry numbers. This may require limiting the # of throws or other creative approaches.**
